

This is a request for records under the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552 and the Privacy Act, 5 U.S.C. § 552a. This request should be considered under both statutes to maximize the release of records.

REQUESTER INFORMATION

Name: Emma Ockerman

Address: 49 S 2nd St, Brooklyn, New York 11249

Email: emma.ockerman@vice.com

Phone: 586.879.9320

Job Title: Reporter

RECORDS SOUGHT

I am requesting copies of all electronic communications sent by employees of the Environmental Protection Agency regarding The Safer and Affordable Fuel Efficient Vehicles Proposed Rule for Model Years 2021-2026 sent between Jan. 1, 2017 and Aug. 2, 2018.

REQUEST FOR EXPEDITED PROCESSING

Under 28 C.F.R. 16.5(d)(1)(iv), a request is to be given expedited processing when it involves "[a] matter of widespread and exceptional media interest in which there exist possible questions about the government's integrity which affect public confidence." I am seeking expedited treatment for this request.

Although expedited processing is clearly warranted under 28 C.F.R. 16.5(d)(1)(iv), it is alternatively proper under 28 C.F.R. 16.5(d)(1)(ii) which provides for expedited processing when there exists "[a]n urgency to inform the public about an actual or alleged federal government activity, if made by a person primarily engaged in disseminating information."

1. Certification pursuant to 28 C.F.R. 16.5(d)(3)

I certify the foregoing to be true and correct to the best of my knowledge and belief.

INSTRUCTIONS REGARDING SEARCH

1. Instructions Regarding "Leads":

As required by the relevant case law, the **EPA** should follow any leads it discovers during the conduct of its searches and perform additional searches when said leads indicate that records may be located in another system. Failure to follow clear leads is a violation of FOIA.

2. Request for Public Records:

Please search for any records even if they are already publicly available.

3. Request for Electronic and Paper/Manual Searches:

I request that searches of all electronic and paper/manual indices, filing systems, and locations for any and all records relating or referring to the subject of my request be conducted.

4. Request for Search of Filing Systems, Indices, and Locations:

I request that the **EPA** search all of its offices and components, which are likely to contain responsive records.

5. Request regarding Photographs and other Visual Materials:

I request that any photographs or other visual materials responsive to my request be released to me in their original or comparable forms, quality, and resolution. For example, if a photograph was taken digitally, or if the **EPA** maintains a photograph digitally, I request disclosure of the original digital image file, not a reduced resolution version of that image file nor a printout and scan of that image file. Likewise, if a photograph was originally taken as a color photograph, I request disclosure of that photograph as a color image, not a black and white image. Please contact me for any clarification on this point.

6. Request for Duplicate Pages:

I request disclosure of any and all supposedly “duplicate” pages. Scholars analyze records not only for the information available on any given page, but also for the relationships between that information and information on pages surrounding it. As such, though certain pages may have been previously released to me, the existence of those pages within new context renders them functionally new pages. As such, the only way to properly analyze released information is to analyze that information within its proper context. Therefore, I request disclosure of all “duplicate” pages.

7. Request to Search Emails:

Please search for emails relating to the subject matter of my request.

8. Request for Search of Records Transferred to Other Agencies:

I request that in conducting its search, the **EPA** disclose releasable records even if they are available publicly through other sources outside the **EPA**, such as NARA.

9. Regarding Destroyed Records

If any records responsive or potentially responsive to my request have been destroyed, my request includes, but is not limited to, any and all records relating or referring to the destruction of those records. This includes, but is not limited to, any and all records relating or referring to the events leading to the destruction of those records.

INSTRUCTIONS REGARDING SCOPE AND BREADTH OF REQUESTS

Please interpret the scope of this request broadly. The **EPA** is instructed to interpret

the scope of this request in the most liberal manner possible short of an interpretation that would lead to a conclusion that the request does not reasonably describe the records sought.

EXEMPTIONS AND SEGREGABILITY

If any responsive record or portion thereof is claimed to be exempt from production, FOIA/PA statutes provide that even if some of the requested material is properly exempt from mandatory disclosure, all segregable portions must be released. If documents are denied in part or in whole, please specify which exemption(s) is (are) claimed for each passage or whole document denied. Please provide a complete itemized inventory and a detailed factual justification of total or partial denial of documents. Specify the number of pages in each document and the total number of pages pertaining to this request. For "classified" material denied, please include the following information: the classification (confidential, secret or top secret); identity of the classifier; date or event for automatic declassification or classification review or downgrading; if applicable, identity of official authorizing extension of automatic declassification or review past six years; and, if applicable, the reason for extended classification beyond six years.

In excising material, please "black out" the material rather than "white out" or "cut out." I expect, as provided by FOIA, that the remaining non-exempt portions of documents will be released.

Please release all pages regardless of the extent of excising, even if all that remains are the stationery headings or administrative markings.

In addition, I ask that your agency exercise its discretion to release records which may be technically exempt, but where withholding serves no important public interest.

ADDITIONAL INSTRUCTIONS REGARDING REQUEST

Please produce all records with administrative markings and pagination included. Please send a memo (copy to me) to the appropriate units in your office to assure that no records related to this request are destroyed. Please advise of any destruction of records and include the date of and authority for such destruction.

FORMAT

I request that any releases stemming from this request be provided to me in digital format (soft-copy) on a compact disk or other like media.

FEE CATEGORY AND REQUEST FOR A FEE WAIVER

I am a reporter with Vice News and a member of the news media.

I am willing to pay any reasonable expenses associated with this request, however, as the purpose of the requested disclosure is in full conformity with the statutory requirements for a waiver of fees, I formally request such a waiver. I request a waiver of all costs pursuant to 5 U.S.C. §552(a)(4)(A)(iii) ("Documents shall be furnished without any charge ... if disclosure of the information is in the public

interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.”). Disclosure in this case meets the statutory criteria, and a fee waiver would fulfill Congress’s legislative intent in amending FOIA. See *Judicial Watch, Inc. v. Rossotti*, 326 F.3d 1309, 1312 (D.C. Cir. 2003) (“Congress amended FOIA to ensure that it be ‘liberally construed in favor of waivers for noncommercial requesters.’”). I incorporate by reference the explanation and attached materials in the above sections which demonstrates why the requested information is in the public interest.

DoD 5400.7-R C6.1.4.1 provides that “documents shall be furnished without charge, or at a charge reduced below fees assessed to the categories of requesters in subsection C6.1.5., below, when the Component determines that waiver or reduction of the fees is in the public interest because furnishing the information is likely to contribute significantly to public understanding of the operations or activities of the Department of Defense and is not primarily in the commercial interest of the requester.”

Should my request for a fee waiver be denied, I request that I be categorized as a member of the news media for fee purposes pursuant to DoD 5400.7-R C6.1.5.7.

According to 5 U.S.C. § 552(a)(4)(A)(ii), which codified the ruling of *Nat’l Security Archive v. Dep’t of Defense*, 880 F.2d 1381 (D.C. Cir. 1989), the term “a representative of the news media” means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. This is consistent with the definition provided in DoD 5400.7-R C6.1.5.7.1.

As the legislative history of FOIA reveals, “It is critical that the phrase ‘representative of the news media’ be broadly interpreted if the act is to work as expected. . . . In fact, any person or organization which regularly publishes or disseminates information to the public . . . should qualify for waivers as a ‘representative of the news media.’” 132 Cong. Rec. S14298 (daily ed. Sept. 30, 1986) (emphasis in original quotation); and 2) “A request by a reporter or other person affiliated with a newspaper, magazine, television or radio station, or other entity that is in the business of publishing or otherwise disseminating information to the public qualifies under this provision.” 132 Cong. Rec. H9463 (Oct. 8, 1986) (emphasis in original quotation)). Therefore, in accordance with the Freedom of Information Act and relevant case law, I, Emma Ockerman, should be considered a representative of the news media.

I have the intent and ability to disseminate this significant expansion of public understanding of government operations. The public interest in this significant expansion of public understanding of government operations far outweighs any commercial interest of my own in the requested release. Accordingly, my fee waiver request amply satisfies the rules of DoD 5400.7-R C6.1.4.1. Legislative history and judicial authority emphatically support this determination. For these reasons, and based upon their extensive elaboration above, I request a full waiver of fees be

granted. I will appeal any denial of my request for a waiver administratively and to the courts if necessary.

Please do not hesitate to contact me if you have any questions concerning this request.

Thank you. I appreciate your time and attention to this matter.
